Mobile: Expo (React Native)
Data & state: TanStack Query, Zustand
AI: chatbot integration (Groq, Gemini)
Tools: Git, GitHub, Figma
Also: UI/UX design, graphic design, video editing

SUMMARY

Fourth-year Software Engineering student with about two years of hands-on experience building full-stack web and mobile products. I design the interfaces I build, so features reach users clear and finished.

EXPERIENCE & PROJECTS

ORG-360 · Web & Mobile App Designer and Developer
Cosmic Technologies PLC · Jan 2026 – Apr 2026
- Built a platform where venues publish shareable 360° virtual tours that visitors explore in the browser.
- Developed the user flows and the companion mobile app. Built and awaiting deployment.

OurMoment · Frontend Designer & Mobile App Developer
Cosmic Technologies PLC · May 2026 – Present
- Building the frontend with Vue.js and Laravel (PHP), and designing the interface end to end.
- Developing the Expo (React Native) mobile app that brings the web experience to phones.

GebetaRSM · Mobile App Developer
Cosmic Technologies PLC · Aug 2026 – Present
- Built features for the Expo (React Native) app of a product that is live at gebeta.one.

BekurGuide · Web Contributor
Cosmic Technologies PLC · Mar 2025 – Aug 2026
- Contributed to the live web application at bekurguide.com, keeping the interface aligned with user needs.

Delala · Real Estate Platform
Live at delala-blush.vercel.app
- Helps people discover properties and rentals through a simpler digital experience.

Ashu Geberew · UI/UX Designer
Cosmic Technologies PLC · Jan 2025 – Feb 2025
- Designed the interface and experience for a mobile app and its website.
